Decent neighbourhood (though busy), with plenty of street parking nearby.

If the pictures on the site are of her, then she's lost weight but otherwise broadly accurate.

The Story:

Disaster.

I'd arrived during a shopping trip, so met Claudia and Chloe as I was entering. There was a choice of 4 girls, but there was something about Chloe in her jeans that was quite alluring. Of the four, only one showed any interest, or indeed any life. But she wasn't my type so I went with Chloe, and I had chosen badly. She had no interest in being in the room with me.

Strip. condom on, functional blowjob. No conversation, nothing remotely engaging or intimate. After 5 minutes I was asked "You ready fuck?" which I was not so more perfunctory sucking before a "Come on." She took missionary position and tried to work me in, but I was not remotely aroused. She was working hard with her hand to speed things up, but I couldn't get going. I asked for a few minutes and tried to think I was anywhere else but it didn't work. I said it wasn't going to happen and she was off the bed and out of the room in a heartbeat.

I dressed and left, wiser and £60 lighter and only 10 minutes of my life wasted.

Avoid, unless you're going to be able to do the job yourself and want nothing more than an assisted wank.
