The Lady:

HSG is absolutely gorgeous - such a pretty and intelligent face, sparkling green eyes, wavy blond hair, large and beautifully proportioned natural boobs with ultra-responsive nipples. luscious hips and elegant long legs. And superbly made up, with bright red lipstick and matching elegantly long nails.

The Story:

I have been trying to convince London ladies to come down to the pretty little city of Bath, but HSG was the first to take me up on this - what a smart lady!

And wow, what a session this was - kissing, sucking and fucking in various positions for a whole hour of total bliss for me! HSG came numerous times too.

HSG is a total star. She is based in London, but totally mobile. Catch her whenever and wherever you can. You will find her an exquisite and charming playmate, and hot as hell!
