The Premises:

A modern, first floor flat in a new complex close to Woolwich Arsenal rail & DLR stations. It has an en-suite bathroom in the room.

The Lady:

Not the girl pictured unfortunately. The girl I saw was also dark haired with slightly sagging B cup breasts and a small, firm bum.

The Story:

A very standard punt. She was at least friendly, but business like. She gave me very good covered oral and that was followed by sex in doggy position.

I just pumped away until completion occasionally reaching forward to fondle her breasts.

The pack drill for girls that work here is a call to a woman who acts as coordinator. Each girl has their own number but the coordinator provides the location. When you get to the flat the room has a window with a view to the downstairs lounge where the other girls are waiting.
