The Premises:

A modern ground floor flat in a private block not far from Whitechapel tube.

The Lady:

An attractive young Romanian girl with a slim figure and a particularly firm, pert bum. Unfortunately for me she seemed to have had a recent breast augmentation. I'm no expert on size, but they looked at least an F cup. As is usually the case they looked unnatural and way too big for her petite frame. To make it worse she had also had botox injections on her lips that gave her the classic trout pout. If I'd had known this in advance I would have skipped the punt. I really do not get the appeal!

The Story:

Despite the disappointment with Catty's fake looks the session was still OK. She gave me very nice and sensual covered oral and we then had sex in doggy position. I took that easy to comply with her request.

If the fake look is your thing you won't be disappointed because she is a nice girl.
