The Premises:

Not too far from the station, easy to find location. Really spacious and tidy apartment (very tidy... but then Medeea confesses to being a little OCD!) Shower was great, the perfect start.

The Lady:

Medeea looks like her pictures, she had her hair up however during my visit. She looks about that age too, if not a little younger. She's Romanian/Spanish apparently, but she doesn't really specify, lives over here anyway and speaks excellent English. She's tall, slim, big enhanced boobs, but they're a real good job and feel fantastic.

The Story:

This was a great booking! Medeea looked fantastic. She was wearing a bra and panties, with fishnet tights over the top. She welcomed me in and was very friendly with me. Showered and she started with some lovely sensual kissing. She loves to kiss, like a real girlfriend and she really gets into it! Lots of touching and kissing eventually led to some great OWO. Medeea looked me right in the eye when she did this. It was nice and deep and wet, just how I like it. Sex was really nice with lots of kissing in a few positions. I could tell Medeea was getting and she even has a favourite position that works best for her. We both a wonderful time I think. Finished off with COB with her smiling and looking straight at me again. Medeea is a really sexy woman who can get you going very quickly!

Afterwards, we had a lovely chat and I learned quite a lot about Medeea. She's open and honest, speaks very well and she's clearly very bright and switched on. She offered me a massage also and this was pretty good considering I wasn't expecting it. She used some nice oils and it was very sensual. I didn't have time to go for it again with Medeea, but if I see her again I'll book for longer!

She's a really great girl, for a bargain price in my opinion.
