The Story:

Raven Afro Caribbean dress size (8) Tiny waste to die for !!

After stopping by for a massage I went to find to lady's working that day summer and Raven . Soon as I saw Raven I chose her with a figure like who wouldn't. After entering the room she gave me some amazing blow job I ever had !! And then she lay back ready to take my big thick cock of course and from then on it was pure pleasure missionary and doggy which she took well for a small lass ! And after about 15 mins I took my hat off and shot a massive load in her mouth felt absolutely amazing emmm will be going back for more very soon
