The Story:

I was in wolvo doing some shopping and i did my usual routine i bookmarked about 6 profiles on vivastreet and i phoned Mandy first i asked her about her services i made my way to her block of flats she buzzed me in and she opened the door i was happy to spend an hour with her.

I gave mandy her cash she put it away i got undressed she came back to the bedroom i ate her pussy out i made her cum a few times then she got on her knees sucked my dick i fucked her mouth she put the jonny on my cock we got back on the bed and i fucked her senseless in multiple positions after drilling her pussy for about 30,40 minutes i was ready to shoot my load Mandy got on her knees and i expload my load on her boobs Mandys tits looked hot covered in my warm jizz she cleaned her boobs i got dressed and left her flat an happy chappy.

I highly recommend Mandy i had to have a bit of a laugh to myself when she sent me her address she misspelt it and got the last letter wrong was a bit funny what she did text me but i cant fault Mandy my spelling is sometimes pathetic.

Thank god for post codes and google map lol.

Vivastreet is not that good i always bookmark about 6 profiles if i am not happy with the girl i walk on her and phone another girl till i find a sexy babe im happy to spend time with
