The Premises:

Nice basement flat not far from Kings Road. Clean and comfortable.

The Lady:

I would describe Nikki as the sexy girl next door. Pictures of pretty accurate. Nice bum and a great pair of enhanced tits.

The Story:

I saw Nicky in my lunch hour. Got straight down to business, both of us naked. Great pair of tits, put my cock between them and gave them a good fucking. She gives great OWO. Sucking it nice and slowly before speeding up.

She rode me hard, moaning hard. I finished on those tits. I made quite a mess. She gave the head of my cock a kiss after the last spurt. She is a genuine warm babe. Might see her again. Those tits deserve to be glazed again with my cum.
