The Premises:

We went to Bettys place by taxi never been to this part of wolvo not sure where it is i think its about a mile from wolves city center

The Area seemed ok

Her flat was ok,clean fit for purpose to fuck a girl

The Lady:

Not the girl in the video or pics this was to good to be true but she is fucking sexy

I think she is about 20 years old

Speaks very good english and has really sexy accent

She is Romanian (one of the better ones,lol)

The Story:

My mate came down from liverpool to visit me from friday night till sunday morning and wanted us to fuck a girl on a MMF session im a regular at greedy girl parties so i am used to this sort of thing.I phoned a number of girls on vivastreet and got to betty explained to her me and my mate wanted a MMF session and promised her we would treat her properly and not manhandle her we just wanted some fun and we pay her £300 each for all services she agreed i asked her what country she is from she said Romania i thought fucking hell i aint had much luck with these girls the last 12 months or so and i could not spend all night phoning girls down the bottom of the road (it was not possible to phone girls in my house lol.I told her we would be up in about an hour i phoned a taxi we got to her flat gave her the cash she put it away and came back to the the bedroom

Betty took it in turns sucking our dicks then i got her on the bed i ate her pussy out whilst she sucked my mates dick after a short while he wanted to fuck her he had her in doggy and she sucked my cock after about 20mins of him banging her i told him i wanted her pussy i got her down the bottom of the bed i was standing up and i fucked her pussy hard i put my arms under her legs and my hands under her bum betty put her arms round my neck and i lifted her up and she bounced up and down on my cock my mate changed his jonny and stuck his dick up bettys asshole this was brilliant double penetration i joked this is what you call real fucking team work my mate shot is load up her asshole i put her down and splattered her face with my warm jizz,Brilliant.

Betty cleaned herself up

I had a cigarette my mate got her on the bed and he licked her pussy out when i finished my smoke i stuck my dick in her mouth and fucked her mouth (i love fucking girls mouth lol) she took all my thick cock in her mouth it felt so fucking good watching my cock go in and out of her mouth.

I put the jonny on my throbbing cock got betty in doggy and slid it in bettys asshole and started fucking it slowly till i was fully in once i had entered her asshole properly i fucked her ass at medium pace then a little quicker till i cum in her asshole the fucking sweat was pissing out of me i was soaking wet all over my mate gave me the high fives after i cum it was his turn to fuck her he did her in mish and i sucked her toes whilst he was fucking her he banged her really hard and he shot his load in her pussy.

At the end of the double team session she sucked both our cocks OWO and we both finished it off by splattering her face at the same time with the last drops of our cum.

This was a fucking brilliant MMF session i have done loads of duo's with two escorts and visited greedy girls parties for years but this is first time i have done a MMF session.

I highly recommend Betty and give her great credit for taking two cocks in a brilliant 2hr fuckfest.
