The Premises:

A smart flat in a discreet yet accessible location with an en suite bathroom.

The Lady:

Ava is 5'7. She has an attractive face and decent sized breasts. When I met her, she had long blonde hair. Apparently she is in her 40s.

The Story:

Ava greeted me with a comforting hug. She seemed comfortable with me touching her body and wasted no time in rounding third base.

I'm personally quite sensitive to oral and have never been mad keen on it in general so I'm probably not the best person to comment on her performance in that area. No particular praise or complaints from me.

When it came to the good stuff, Ava asked if I'd like her to sit on me. Hell yeah I would. It was exceedingly pleasant to slide inside her and she felt like a good fit. Ava guided us through cowgirl, doggy and finally missionary, all of which I enjoyed. She was patient, relaxed and generous. She was also softly-spoken and threw in plenty of compliments.

In these kinds of situations, I never know really how much the girl is enjoying herself but I felt at ease with Ava and she performed very well.

I took a short break after what seemed like about ten minutes and Ava patiently waited for me to decide what I wanted next. I asked to go down on her and she obliged. I opted for a 69 position and selfishly plunged my face into her pussy, which tasted amazing by the way. If Ava's pussy appeared on the dessert menu in restaurants, I'd order it every time.

I frantically jerked myself off while lapping away at her slit and then came all over my own chest, which felt pretty selfish of me.

We lay on the bed for a couple of minutes afterwards and made some conversation. Again, I felt relaxed with her and I'm kind of shy so I'm really grateful that she was able to relax me a bit. Considering we'd only just met, it wasn't too awkward or anything. I would have happily hung out with her for longer if either of us had the time.

All in all, I left very satisfied.
