The Premises:

Small-ish room but clean. I bought her a bottle of wine, which she poured into 2 glasses.

The Lady:

Aina was dressed in black stockings and suspenders which was nice, but she had a bigger bum than I expected, and I prefer tight, cute, peachy.

The Story:

She wanted to get straight into action and started with OWO.

Then she told me that she had just done a lesbian show prior to me and so after 10 mins I asked if I could meet her friend and so she brought Ada Lee into the room for a duo.

Ada Lee is slim, nice body but probably B cup boobs. I paid an extra £100 for her to join us. I was maybe naive because I thought they would do a lesbian threesome but they said that would be £500.

Both of them licked my cock together, then I asked if they had a strapon. They refused to use it so I tried it on myself and began fucking Ada Lee with it whilst Aina gently smacked my arse. Sounds good, eh? It should have been but I didn't find them very enthusiastic and even had a droop!

When that happened, they said, "your dick is not strong" and didn't do much to sort it out. For example, they could have both sucked my balls whilst I wanked. Instead, Aina seemed mildly annoyed. In the end Aina wanked me off on my chest whilst I looked into Ada Lee's beautiful, naughty brown eyes. Fair play, I came so hard that some spunk actually hit me in the face, lol, but I would have preferred it on their faces!

All in all, a bit disappointing - 6/10. I wish I'd booked Ada Lee on her own.
