The Story:

Fantastic time with carmen was has. We easily arranged our meeting prior and even sent a couple of flirting text messages before she came over to mine. I suggested she bring a naughty outfit with her as I like girls who dress up in some kind of uniform, so she asked my what I wanted and I told her to surprise me. Well surprise me she did! Carmen greeted me with a nice kiss and then asked me to jump in the shower while she dressed herself up - I couldn't wait to see what was in store for me! I had a quick wash then reentered the room to find carmen lying on my bed in stockings and a little tight leather police dress up uniform, It turned me on right away and I couldn't wait to get my hands on her! She ushered me over sexily and then gave me an oily massage before moving down to my cock and giving me an amazing OWO. She then pulled out some handcuffs and asked me if I wanted her to use them - how could I resist? She cuffed me to my bed and continued teasing me for a while, licking me up and down, kissing me and touching herself until I practically begged her to get on top of me! I was rock hard and gagging for it! She kept me handcuffed while she rode me in missionary before switching to reverse cowgirl where i finished and was immensely satisfied! It would've been nice to touch her but obviously I was trapped, but that made it feel more naughty for sure. Would absolutely see carmen again and will have her bring some other outfits/toys next time!
