The Premises:

One2One's Hatfield flat is well known to the secret agent 007 following many "missions" here. It's clean, tidy well furnished & entirely fit for purpose. Discrete town centre location with free parking a few yards away & for train travellers @ 10 minutes walk from mainline station to Kings Cross.

Booking made by phone to one of the lovely Moneypennies. As is normal the chat was humorous & the booking dealt with Moneypenny efficiency.

One of the many good features of a One2One booking is that only the lady you have booked for is present so I have always felt that you do truly get a "one to one" experience. Apart from Hatfield they currently have 3 other premises - High Wycombe, Kings Langley & St Albans.

The Lady:

A new woman on the One2One site.

Nicola told me with excellent English that she was Italian/Hungarian by birth & had been recommended to One2One. Dark haired, slim, trim with a nice firm bust. Attractive & with a very pleasant personality. I felt immediately at ease with her for a first visit. Her pictures & profile details on the One2One website are accurate.

The Story:

A first visit to Nicola. I love to give Tantric massage which was well received by Nicola and seemed to get her (and me!) nicely aroused. We had sex in 3 standard positions all very stimulating. Her speciality, OWO. An excellent technique soon had me teetering on the edge and final release. A lovely lady. 5 007 stars. Thoroughly recommend.
