The Story:

The meeting with "buffy" got off to a bad start from the beginning as i booked her for 7 and she showed up at 8.30, didn't even apologise or nothing. I thought she was hot on her profile pics but they must be old or something, as buffy isn't how she looks on there. Her boobs are big and gravity's caused them to sag quite a bit, in fact i'd be surprised if she wasn't 23 but more like 33. ANYWAY, looks aside i was pissed that she was late and the tension was in the air all the way through the punt. She didn;t put any energy or effort into trying to please me and i feel like i wasted my time tbh. Save yourself the let down lads.
