### The Premises:

Very tidy and spacious place well located, close to the tube and very nice neighbourhood too, the place had a very comfortable and relaxing aspect to it it was very clean and had a very nice shower too.

### The Lady:

Estrela was a slim not a little short but the average size of a woman, very nice and sexy curves well-cared body not a single bit of fat on it she was very young too maybe around her 20's kind of looked a bit of latina ethnicity Spanish mixture or something like that.

### The Story:

Estrela welcomed me at her place at around 20:00 she looked stunning and had a very welcoming smell very sweet yet very pleasurable, she also had on a very beautiful small green dress on, with some high hills on she looked very charming and sweet but also very sexy she asked me to come inside and so I gladly accepted seem how I was very excited to meet her it was probably noticeable to her seem how she asked if I wanted to drink something and chat a little before we got any further, so I accepted the drink and we started talking and got to know a little more about the beautiful brunette that was in front of me, she was very gentle polite and very talkative but during the time we were talking all I could think of was when I was going to take that dress off and get it going with that girl, well that did not take so long as soon as we finished the drinks I felt way more relaxed and comfortable seem how incredible she was personality and appearance wise, so I started to help her undress and things were happening in a very intense way the way she touched me made me feel great and the things she did with that mouth made me feel like in heaven, she was very skilled despite being quiet young or maybe it was just the way she made me feel around her that made things feel so incredible, well thats all I got to comment about this lovely girl if you have the opportunity to meet her you will not be dissappointed I can guarantee that for sure.
