The Lady:

I'm sure the blurred photos on her HoD profile are of her. The current set provide a very good impression of what to expect - very attractive, long straight brunette hair, 20 something, slim build with some curves, average height, small - medium natural breasts, lovely peach shaped derriere, fully shaved. Reportedly Lithuanian but in appearance can be from anywhere in western, eastern or central Europe.

The Story:

Pleasant is probably the best way of summing up my time with Renee - a pleasant gfe with a pleasant lady who made pleasant chit chat both before and after the main event. FK, owo and ro were on offer and she seemed to have particularly enjoyed having her beautifully formed nipples licked and sucked.

A pleasant way of passing half an hour.
