The Lady:

Although she describes herself as a Milf, Catherine has the body of a woman 10 years younger than her real age of 37 stated on her profile. Her photographs are entirely accurate but do not really do her justice. The other information given in her AW profile is also accurate.

The Story:

I have been seeing Catherine now for about 5 years, about once a month and she is an absolute delight. Friendly, gorgeous, sexy as hell and highly skilled. The services she provides are detailed on AW and my typical visit includes DFK, RO, OWO, and sex in several positions with lots of kissing and cuddling before and afterwards and a good chat catching up with each other's news. She is not for the younger client with whom she does not feel comfortable, or for those for whom big boobs are important (hers are B cup and sensitive) and anyone who tries to get her to do something not on her Enjoys list is wasting his time. For me she is just perfect and, as I have said elsewhere, if I could only now see one escort, she would be the one.
