### The Premises:

Well known location on Kettering Road

### The Lady:

As the pictures... hair is slightly different (shorter) and her boobs, whilst amazing, look smaller. But I had no complaints at all.

### The Story:

I was a bit early, so waited in the room until she walked in. And wow - just amazing. She had an incredibly erotic combination of sex appeal and youthful innocence.

She started with a massage, which was mostly an excuse to get her naked on top of me and then we moved onto a proper GFE. Kissing was light, but pleasant. I then kissed her all over. Her tits were amazing and I wish I had my hands on them still! Some RO, and she was delicious - I could have stayed down there a while. "My turn to give you head." she said and then sucked me hard. I'd warned her not too much oral as I knew I'd come quickly, so it was on with a cover and into missionary (my choice). She told me she was tight, and sure enough she was - an excellent feeling all around me. She brought her knees high so that I could try to get going.

Afterwards she cleaned me up. I passed on a shower, but she had one so I got to watch her as I got dressed. An excellent time, and I will be back.
