The Premises:

A modern flat with a discreet intercom/buzzer entry. It is very near the Tate Modern on the South Bank.

The Lady:

A friendly black girl with natural B cup breasts (not enhanced as profiled). She is around a dress size 10.

The Story:

I enjoyed the session which was relaxed and in a very clean bedroom. I was actually pleased that Aliyah didn't have implants. There is another girl who shares the flat or at least I think so with the profile Exotic Aliyah. For the session itself I just enjoyed sucking and caressing Aliyah's breasts and squeezing her very firm bum. I asked her to caress my balls in preference to covered oral. We then had protected sex in doggy position. That was a big struggle at first because the condom seemed too small! After a couple of minutes I withdrew and removed the condom. I then, in accordance with her profile name, came over Aliyah's face while she knelt in front of me.
