The Premises:

Fingertips is a well-run parlour with clean comfortable rooms and videos that work. A visit to this parlour is cheaper than going elsewhere in Stoke.

The Lady:

I had the choice of two ladies new to Fingertips: Ebony, a rather beautiful svelte mixed-race lady in her twenties, and Debbie, a very buxom English blonde in her mid-40s. I chose Debbie.

The Story:

Debbie provided the usual two services of sex and covered oral, adding that she does anal for an extra 80 notes. She would not kiss at all and was rather remote throughout; it certainly wasn't a GFE. Debbie was not interesting to be with, and after the event was over, she promptly left the room. I'd paid for 20 minutes, but she was gone in less than 15. No doubt, Debbie will be perfect for other punters, but although I tend to go for older women, I reckon I made the wrong choice here. I shan't see Debbie again, and would much rather see Ebony next visit.
