The Premises:

As described .

The Lady:

Wow. A bundle sexiness in a beautiful dark package . About 5 foot 4 with curves to die for long black hair and naughty eyes . A mischievous and sexy smile finishes it off .

The Story:

Holly , is a friendly outgoing bundle of joy , with a lovely hint of shyness .

An absolutely sensual massage , with cool gentle hands . No rush and plenty of banter .

Not going into to much detail as it's a massage with no pressure . This makes it to me a really special experience .

As ever I left happy with a big beaming smile on my face .

If you have never visited Hush I suggest you do soon . I don't think they have a bad member of staff and I absolutely adore the place .
