### The Premises:

Easy parking, costs £1 and is only 2 mins from her place. 2 girls in the house but the other looked older.

### The Lady:

Elizabeth met me in red panties and bra with a big smile. She's quite tall, probably 5' 10" but as I'm 6' 2" that's fine. Looks like photos.

Pretty girl, slim with no fat and B cup but perky tits which I enjoyed fondling. She has a nice smile too.

### The Story:

She started by asking if I like BJs. Of course, I said yes, and I asked her to use a condom. She sucks it like a lollipop, stopping occasionally to look you in the eye and smile. I then asked her to sit on my hard cock and rid me cowgirl which she did willingly. What I liked was how, in mid thrusting, she would stop for a second, look me in the eye again and then start again - she knows how to bring a man to the boil. Nice firm tits too, even though a tad small. I enjoyed sucking her nipples.

I then said I'd like to cum in her mouth and she asked if I'd like to stand up with her on her knees. I've never done that before and so I couldn't wait. She sucked away, this time OWO, and fondled my balls until I came in her mouth. She spat it discretely into a tissue. I couldn't stop smiling and on my way out she gave me a gentle kiss, again with a big smile.

Well worth £60.
