Petite, pretty with nice enhanced boobs. Very chatty and friendly.

The Story:

Alexa looked like she might be a bit of an ice-maiden from her photos. But although she looked classically sexy in her white lingerie she was ver friendly and talkative and it was a pleasure to be in her company and to enjoy her services (her profile says 'All services including CIM, DFK, No Swallow or A'). No point in giving a 'blow by blow' account as I have limited mbility and it wouldn't make for interesting reading. But Alexa is a very sexy, classy lady, who is very willing to please, so I would recommend giving her a try.
