The Lady:

PERFECTION! The photo's don't lie. If anything, she's even better. Jai is a 360 degree perfect lady for me. Not too tall, athletic and beautiful from every angle. Wonderful personality, polite and my dream girl. For those that remember Bo Derek and the film 10, well Jai is an 11 in my book!

The Story:

I arrived a couple of minutes early and was shown immediately in to the downstairs room. The nice young lady receptionist offered me a drink and I accepted an orange juice. She brought it fairly swiftly. I undressed and waited. Jai was obviously running late and i started flicking through the motoring magazines. The door opened, I turned my head, my jaw nearly hit the floor. There before me stood a lady that was absolutely stunningly gorgeous. I wasn't sure what to check out first. Jai had tall stiletto's, stockings, which I love, a skimpy thong that emphasised her tiny waist, a washboard stomach (rock hard). Her boobs stood out proud and she has a beautiful face. I could have shot my bolt just thinking about what I was about to do with her. Jai apologised for keeping me waiting as she walked in, but hey, she was worth the wait. She approached me and immediately started to kiss me, first just lips then tongue. Jai tasted like an angel. Her tongue was caressing mine as I started to explore every inch of her body that I could reach, man I was in heaven. Jai dropped to her knees and took me in her mouth. I'm not big down there but Jai took my length and sucked and licked for England. It was wet, it was deep and it was ****ing fantastic. No hands just a wonderful mouth in total control of my todger. I stood there in front of the mirror admiring her work and her gorgeous body. WOW! Jai knows how to suck cock. I needed to taste her pussy so I said 69? and Jai nodded. I jumped on the bed and Jai positioned herself a knee either side of my head. What a vision that was. Her beautiful pink pussy was staring me in the face and I'm sure her tiny little star was winking at me. I grabbed a hold of Jai's perfect ass and pulled her down. Jai is not shaved, she is eu-naturell and it tickled my chin in a pleasant way as I delved into Jai's succulent pussy. I love RO and i honestly could have stayed there all day, week, months. Jai tasted fantastic and as she continued to provide an excellent blow job I was in complete heaven. We continued for some time but then it clicked in my head, I needed to fuck this lady. I asked, Jai readily agreed and turned to face me. She kissed me and used her tongue again sending shivers down my back. Jai

hooded me up and then proceeded to ride me, firstly with with knees front and feet back but then, OH MY GOD, she brought her feet forward and her pussy tightened and she took her weight on her feet and rode me. I just couldn't believe my luck. This beautiful amazon was giving me the best ride of my life. As Jai tired I suggested doggy, again Jai readily agreed and put her chest and head down on the bed with her fantastic arse up in the air waiting to be entered. Condom secure, Jai guided me into her pussy whilst my hand held her tiny waist securely. I gave the best performance I could, occasionally lightly smacking her beautiful rump. Again, given the opportunity I could have stayed there for ever, she felt so good and was making encouraging noises. As I knew my time must be closing in on me I asked for Jai to finish me orally and she went straight to her knees in front of the long mirror. Again, no hands Jai took my cock right the way down. Jai proceeded to lick, suck, and deep-throat me, occasionally slightly gagging but never stopping. When Jai sucked it made me feel as if my cock was so much bigger. I was looking in the mirror watching Jai take my cock in and out of her mouth, faster and faster. Then more slowly, getting very wet and sloppy and it was absolute perfection. This lady should teach blow jobs. As Jai started to suck once more I felt my whole body tense and knew I was about to release. I think Jai did too but there was no respite, Jai continued to suck as I erupted and she didn't flinch or pull away. once she felt I was totally spent Jai removed her gorgeous lips and made use of the baby wipes. She didn't swallow but that doesn't bother me anyway. I had had the best sexual encounter that I have ever had. Jai has a lovely personality, an excellent attitude and was an absolute joy to be with. I've probably ruined it for myself by telling you lot just how fantastic she is and I'll struggle to get an appointment in future. But she deserves an excellent report, an A***** in my book. I will most definitely be back to see my perfect lady. She only has one fault that i would most definitely change? her address. She should live with me! I couldn't take my eyes off of her for the full encounter and afterwards, right up to where she kissed me good bye at the door. Jai is an absolute star and stunner. I went to bed thinking of what I had experienced and swear that I had a boner all night. I woke up smiling still thinking of Jai. That should tell you just how good she is. Jai, thank you, until next time! In the words of Tina Turner you are " Simply the best"
