The Story:

Naomi was lovely welcoming and friendly. She acted like she wanted to see me and seemed happy i had come. some are a bit jobsworth but she didn't seem like that at all.

we chatted for a short while then started to kiss and she led me to the bed and undressed me whilst kissing. I did the same and soon she had pushed me down and sucked me off before then climbing on and riding me. she kissed me as she did with full tongues. it was actually quite passionate.

I was allowed to do most things (no anal) and fucked her a few ways before coming on her tits and rubbing it in.

a great experience and one I would recommend.
