### The Premises:

Easy to find basement flat no more than a couple of minutes walk from the tube. Discreet entrance and no issues at all.

### The Lady:

Stunningly attractive English girl. Mid to late 20's. Profile says size 12 and I'm in no position to argue. Lovely friendly personality and manner. Basically an absolute gem.

### The Story:

In London with a few hours to kill ahead of an evening engagement and looking to make the most of the opportunity. Laura's profile pics looked amazing and I booked a couple of days in advance to secure a meeting.

My first visit to Hod 1 and I seriously underestimated the travel time. 10 minutes to go and I was still on the tube. Sent a text ahead and was lucky enough to be able to move my booking back 15 minutes. I arrived dead on time for my original time but was a breathless sweaty wreck. Saw Laura in the lounge quickly as the very attractive and friendly maid showed me to the bedroom and pointed out the shower. Quick shower and as I was still getting dry Laura came in the room.

Wow she is gorgeous. Lovely figure with some killer curves although Laura isn't a large girl at all. Dark captivating eyes and I was instantly attracted to her. Quick intro and paperwork out of the way and we were kissing and caressing straight away. Onto the bed for some OWO which was amazing before Laura laid down for some RO and I returned the favour. Laura has amazing legs and I could have stayed there for hours.

On with the protection and several positions including Missionary, Doggy and Cowgirl with kissing all the time. It was a hot day and we were both tiring (well I was anyway). More OWO in the hope of a CIM finish but it wasn't to be despite Laura's best efforts. Hand relief for a cum on breast finish but again not to be. None of this was down to Laura I hasten to add, she was incredible. This was all down to me arriving late and knackered after rushing to get to the location. Hardly ideal preparation

for a meeting and I was kicking myself for being so stupid. We chatted for a few minutes and I was able to appreciate just how naturally beautiful Laura is. It certainly wouldn't take much to fall for her in a big way.

With time running out I got dressed just as the maid knocked on the door. With another wonderful kiss and a quick hello to Anna (wow) who was sat in the lounge I was on my way.

Laura is a naturally beautiful girl, I had a great time and it was a pleasure to meet her. I would love to return for longer and with better preparation. Thank you for seeing me Laura and I apologise again for being late.

**Positives:**
