The Premises:

Nice apartment in the Bayswater area... Lot of stairs to the top floor though, so if you're not the fittest, you might want to drink some lucozade or something! Nice room, decorated with butterflies strangely enough, but she seems to like them. It was a very relaxing environment anyway.

The Lady:

Vicky is not 27... She looks good, but she's almost certainly more like 37. She looks like her pictures, but there is some shopping going on there. Great body, quite tall, fabulous physique. She dressed up for the occasion in black lingerie covered by a red negligee.

The Story:

Vicky is a very relaxed woman. Being with her was easy, just like a girlfriend really if it wasn't for the fact that she didn't do OWO (not sure if she would for extra, I didn't ask because I didn't have extra and didn't want to disappoint myself). Mind you, her covered BJ was pretty good to tell the truth. But the sex is what makes me recommend her. Despite being an older woman, she fits just perfect "down there" so to speak. And she rides fantastically. This was a great experience and one that I've only really had a few times with an escort. She has great boobs too, nice and firm (enhanced slightly I believe, but not too sure, which should be a good thing no?) Anyway, sex was enjoyed in several positions and I ended taking her from behind. Was truly wonderful, and Vicky seemed to enjoy it too.

We had a lovely long chat at the end (mainly because I couldn't do it again, and I surely would have!) She's a very kind, well spoken woman, with a nice accent. Speaks good English too.
