The Premises:

Easy place to find in Bayswater, I've actually been before to see a different girl. Vita's room was small, but very cosy and it was all clean and tidy. It's not too far from the station and I would imagine that parking wouldn't be too hard if you're driving, it's a relatively quiet road.

The Lady:

Vita looks exactly like her pictures. In fact, she looks loads better than her pictures. One of the most stunning young ladies I've seen this year in London, and I make no mistake saying that. Her hair is different to her pictures however, it's darker, almost black, with purple highlights towards the end. Looks fabulous and very long. She is very slim, but not overly "skinny". I usually go for girls with bigger boobs actually, and Vita's are quite small, but they're very perky and all natural of course. Perfectly in proportion with the rest of her body. She was dressed up in a beautiful black evening dress, with no panties underneath. Her make up was subtle, but very professional and it looked great.

The Story:

The experience was amazing. Such a wonderfully friendly and confident young lady, I was very impressed indeed. I have to say that after having a one bad experience the previous afternoon and an average one the night before, it was as though Vita was heaven sent.

She was focused on me all the time, and made sure I wanted for nothing. When she was naked and between my legs giving me what must be one of the best OWO I've ever had, I never wanted it to end. In fact, if I'd thought I could have managed twice, I'd have ended it there and then. She was looking into my eyes all the time, smiling and with the occasional dirty comment. Spitting and wanking my cock and making it nice and wet, she really knows how to go down!

Sex was unbelievable too. I just lay there and she sat astride me. Rode me nice and slow (she asked how I liked it) Lots of eye contact and cheeky smiles. She really got into it, playing with her clit while she was riding. I especially liked the way she got up onto her feet and bounced up and down on me. That was awesome. Her on top didn't end there though. She stood up tall on the bed and gave me a lovely view of her pussy and ass as she turned around to ride me in reverse. She

has a lovely arse! Again more sensual riding with her glancing over her shoulder encouraging me.

Shifted into missionary where I got a good look at her, nice and close. Vita really is one of the most beautiful young women I've ever seen. I couldn't stop telling her so! Kissing her neck, and screwing her in this position was nearly the end of me, but I didn't want it to end here. I turned her over and laid her flat on the bed with her legs closed to get in nice and tight. Felt lovely, and she loved it too, pushing her hand between her legs and making herself climax. We screwed until I asked her to finish me off with her mouth. It was so nice in the beginning, I just wanted to see her finish the job. Which she did wonderfully! She sucked me right up to the moment and then pulled out and jerked me all over.

This is one hell of a great escort who could easily charge double what she does!
