The Story:

I have seen Holly on a few occasions now but my latest visit just seemed that little bit more special for some reason so thought it required a review. Had a shower and lay on the professional massage couch, Holly entered wearing a black tunic that didn't leave much to the imagination she then took it off to reveal her perfect body. Oh those boobs and ass!! Her massage technique is second to none, firm when it needs to be firm but with plenty of teasing, stroking and very light caressing of the balls. Now the bit that made this visit that bit more special was when Holly asked me to get up on all fours, wow, plenty of playing of the balls, little fella and bum that sent me to climax as I couldn't resist any longer but I was only 20 minutes in to my 45 minute appointment. Fear not, Holly asked me to lie on my back and she gave my thighs a firm massage with occasional soft strokes of the little fella, she could see I was getting aroused again so she proceeded to give me one of the best oily tit wanks ever imagineable. My legs still shake now at the thought of the wee lad sliding between her perfect boobs whilst those sexy eyes are looking straight at me. A truly wonderful experience.
