As described before. The best place in the East Mids by a country mile.

The Lady:

Alexa is stunning, quite tall, slim, pert boobs and a gorgeous pretty face.

The Story:

Apparently this was Alexa's first day and I was only her second client but you wouldn't believe it. She was confident, talkative and very polite. The kind of girl next door that every man has fantasised about. Fabulous massage and those finger nails of hers certainly know how to create a magical sensation around the inner thighs and balls. Her body slide is amazing and to feel her pert boobs rubbing on your back is a feeling to behold. Once flipped over I was a little sceptical about the happy ending with it being Alexa's first day but I shouldn't have been, she provided a wonderful sensual climax that still had my legs shaking in the shower afterwards. She's going to be a popular girl chaps so get booking.
