The Story:

First ever review. Very happy with her services

Eva is very lovely young girl. As she is new so got only few reviews.

Smiling and caring. Massage was OK but her gorgeous body and naughty touch made this visit a memorable one.

Warm welcome and finances done and then to main business.

She started on my back using hands and Boobs. Then I gave her some massage and then she started on my front. This was very sensual and erotic. Used her nice boobs very well. She gave nice tight hug as I came. Shower, drink and good bye. Surely will visit again.
