The Premises:

Lovely basement flat about a minutes walk from Edgware Road tube station. Everything was clean and tidy and I had a nice shower after I arrived at around 15:45 and then one of the girls offered me a beer afterwards.

The Lady:

There were 5 ladies present, two of whom I had seen before on numerous occasions.....

Luiza - stunningly beautiful Brazilian brunette

Kasia - gorgeous blonde Latvian goddess

Elsa - lovely Swedish girl with a fantastic bush

Millie - another beautiful Brazilian brunette

Christine - and another gorgeous Brazilian brunette!

The Story:

After having a chat and a beer with the girls, it was off to the room for some fun. Luiza lead me to the bed and as the ratio of men to girls meant there were more girls than men, and at first Kasia joined her but then someone came in and Kasia went with him. Luiza is my dream girl. Such great fun and so sexy. Hadn't seen her for over a year and couldn't wait for her to get started on me. She gave me an incredible blow job with lots of eye contact. Then it was on to sex which is always superb with Luiza. After nearly twenty minutes fun with Luiza, the next girl I saw was Kasia. She is another favourite of mine that I have seen many times over the years. Tall model figure and looks, she is totally stunning. Like Luiza, I hadn't seen Kasia for over a year and she was just as great as I remembered her back then. Great blow job and superb sex. Then onto Elsa. She has the most incredible hairy bush I have ever seen! It's just beautiful. A fantastic blow job and it was a joy to be in that wonderful hairy pussy. She then rode me and that was an amazing view for me. After Elsa, I had more fun with Kasia with another blow job and more sex. Next girl I saw was Millie. After the first hour's action, my cock was beginning to struggle to keep up but after a lovely blow job from Millie it was up and ready for action again. Her pussy is so tight and it felt so great being inside it. With jus 20 minutes of the party to go, I really wanted to see Christine and she gave me a nice blow job and lovely sex. With the clock running against me, I needed to cum and Kasia offered to help

me. We had sex for the third time that afternoon and I stood up to wank myself off and had all 5 girls round me, kissing me, slapping my bum and pinching my nipples. It's 5 minutes of my life I will never forget! With a minute or two to go, I came all over Kasia's breasts. A great end to a great party.

I have been going to these parties for a while now but hadn't been for over a year. This party made me realise what I had been missing and I hope to go again as soon as possible! The girls there are always beautiful, friendly and fun and are very sexually adventurous. A perfect 2 hours as could ever be.
