The Premises:

Easy to find, clean. I think there must be one other girl in the flat as I heard her and a man as I left, but Faye was careful to make sure I wasn't seen.

The Lady:

Just three things to say about Faye - wow, wow and wow!

Stunningly beautiful - she told me she is half Spanish and half Romanian - with a beautiful smile, she has the most gorgeous 38DD boobs (at a guess) and a slim waist. If her boobs are enhanced, it was difficult to tell. On balance I'd say they must be. I love Spanish women, and finally I've fucked one that looks like Jasmine Caro, the pornstar.

The Story:

She dressed in stockings and suspenders as requested and started off with a covered BJ, all the time looking me in the eye and smiling. Never mind her smiling, I couldn't stop smiling. She said that I seemed excited and she was right!

I asked her to ride me cowboy style, which she again did whilst looking me in the eye and smiling. I love those big brown, Spanish eyes. Then, we did doggy during which she also maintained eye contact by looking back at me. She asked me to fuck her in her 'favourite position' which was on the back, with one leg over the other. This made her pussy even tighter and gave me a great view of her pretty face and those boobs!

She asked me how I'd like to cum - only one answer possible, all over those 38 DD beauties!

Wow, she is the best so far. I asked if she does lesbian duo for next time but she said no, only duo. Shame because I'd love to see her munching another woman's cunt. Anyway, she's a lovely girl and very willing to please. 10/10 for me.
