The Premises:

A terraced house not too far from Catford shopping centre. Not at all discreet and I'm sure the neighbours might have spotted the punters traipsing in and out. The room itself was clean.

The Lady:

The photos for once are accurate. A petite, dyed blonde Romanian girl with a firm young body.

The Story:

She was very business like, but not hostile. I particularly liked her natural, firm B cup breasts with pink nipples. She gave me the briefest uncovered oral with specific instructions not to come in her mouth. On went the condom and I took her from behind. She has a lovely bum which I enjoyed fondling. I took it slowly, but still exploded after a couple of minutes.
