The Lady:

Brit, 20 something, Goth like appearance, lots of body art, red tinted hair, extremely large breasts, curvy medium build, fully shaved. Photos currently on her HoD profile provide a good indication of what to expect.

The Story:

In short, new girl Flora's service was top rate.

Going through HoD's site, it was the size of her breasts that initially caught my eye and then I found the brevity of the services on offer (subject to the lady's discretion of course) - CIM, rimming, anal play, foot fetish - intriguing.

Because fk, normally one of my prerequisites, wasn't listed, I didn't know how to initiate the action when she first arrived in the room but after a couple of awkward seconds, I tried a kiss which morphed almost instantly into dfk. She responded not only enthusiastically but with enormous passion and this set the tone for the rest of our time together.

Her owo was superb and I had to ask her to stop as a premature conclusion was close to becoming imminent. Her tongue then moved into territory not normally explored by other HoD ladies before hitting the bullseye - in my experience a very rare activity among incall providers. My arousal levels, already well into the red zone, went into meltdown as she probed away for several minutes. With time running out, she went back to owo and the intensity of the cim finish came as no surprise.

I left feeling really relaxed and content having arrived feeling wound up and tired. For me, there is no better way of generating the feelgood factor than a good punt.
