The Story:

I'm writing this review with complete joy cos i'm over the moon with how good this punt was. Still feeling excited thinking about how hot she was and how keen to please me stefany was. Stef arrived on time after we'd been texting flirty messages for a couple of hours, letting her know what i wanted to do to her. Her english aint the best so mostly her sending naughty emojis but that was enough to turn me on before she even got there. She looked better than i imagined, greeted me with a DFK to my surprise. She told me she's new to this and only been in the city for a month, so she wanted me to guide her and she was happy to do whatever i wanted!! What's sexier than a young, hot, 18 year old telling you that? Nothing!! I was more than happy to take her under my wing. I told her to give give me sexy striptease/lap dance and she did so. Looked a little awkward but was still really hot. I was hard right away and she took my dick in her mouth, gave me this amazing deep, sloppy blow job, twisting her hand around at the right moments. I couldn't wait to fuck her tiny tight shaven pussy. I told her to get on top of me and bounce on me in reverse cowgirl, her 18 year old pussy felt SO GOOD and SO WET. We switched positions frequently, each one getting better and more naughty. She was moaning the whole time, full of energy, always wanting to please. Truly one of the best recent punts I've had and will be booking little stef again for sure.
