The Premises:

I fancied a cheeky punt before the England game so went along to HOD 3. They lost but I have happy memories of the day.

The Lady:

Adrienne is plain looking girl with a couple of moles on her cheek and is big boned, although not fat and she smelled ever so slightly of cigarettes. At first I didn't fancy her, almost asked for my money back and struggled to get an erection to begin with. This was similar to the intro to my meeting with ex-HOD blow job queen, Renata. I didn't fancy her much to begin with either and then...

The Story:

Adrienne was naked when she entered the room and asked me to strip, so I complied cos I had coughed my £70 and didn't want to waste my money. Then she put her tongue in my mouth and from then on it was all systems go. Adrienne encouraged me to play with her tits and moaned with satisfaction as I licked and sucked on her nipples and complimented me for pleasuring her. There was lots of tongues involved. Adrienne is a great kisser. She teased my legs with her tits as she performed oral without on me, lovingly licking and kissing and sucking my cock. I licked her pussy. Then we fucked with her on top, playing with my nipples with her fingertip. Finally she wanked me to completion. Adrienne wanted me to come on her body, but I couldn't promise not to overshoot the mark so I lay on my back and creamed all over my stomach.

Adrienne is a great girl and well worth another visit. She seems to enjoy her job and is not just in it for the money. This girl loves having her tits played with. And I felt easy in her company once I had splashed my load and we were cleaning. She stayed with me, making sure I had left rather than just fucking off without saying goodbye. I am already thinking about visiting her again cos she was so generous with her body.
