### The Premises:

The location is a 5 mins walk from the tube station. The room was clean and smelled great. A little on the small side but didn't get in the way of things.

### The Lady:

Absolutely stunning! Slim and about 5'7" I'd say. Toned body and soft hands.

### The Story:

Been here quite a few times over the years (liwia was always my favourite) Went for the foot fetish massage which was 20mins massage on the back and legs then turn around for the finish. Really great technique and skin was incredibly soft.

Foot jobs aren't the easiest thing to master but she was a natural. After the finish she continued the massage and careers me with her toes. Absolutely incredible and will definitely be back.
