### The Premises:

been to this flat before. it is more than adequate, clean tidy and fresh.

### The Lady:

I paid slightly more than I normally do but she was lovely and stunning and by stunning I mean wow stunning. perfect body perfect smile perfect pretty much everything to be honest.

### The Story:

She was very welcoming and dressed in some of the nicest underwear I have seen. when I commented on it she said she had loads and it was her thing. She then proceeded to show me and modeled a few for me. was very hot and before long I was inside it. You can only take so much! she was attentive in the bedroom, seemed eager and certainly didn't hold back at all.

she gave a more than passable blow job and when we fucked and i took her from behind i got a birds eye view of one of the smoothest most rounded and perfect arses i have had the pleasure to set eyes on.

all in all worth a bit extra just for the pleasure of being with such a perfect specimen.
