### The Story:

Loren was a delight from start to finish. As soon as she arrived she greeted me with a hug and a BFK. After a brief conversation she started to strip while teasing my dick from beneath my jeans. The sex was also incredible. We started in missionary then doggy style while I played with her big juicy boobs. She then rode me so good before finally I finished on her boobs but she did ask me where I wanted to finish so I'm pretty sure she would be game for anything. Loren was a delight, a super good shag and an all in all great person inside and out (if you get me).
