### The Premises:

A basement flat below a shared house. Separate, discreet, entrance enhanced by flowers growing each side of door.

### The Lady:

Lauren (who seems to be using Iza's mobile phone) is a stunning French/Portuguese blonde. She has a slim but curvy figure with superb breasts (a boob job but a very very good one).

### The Story:

Lauren met me in a very sexy matching bra and cut away briefs set and started undressing me. Once my shirt was off she turned round for me to unleash her magnificent breasts then continued to remove my trousers. After more touching rubbing and kissing she slipped a condom on me with her mouth and gave me a very expert blowjob, before getting me to lie down whereupon she slipped her tight pussy over my cock. A very pleasurable few minutes ensued, followed by missionary and finally a tit job culminating in me coming over her chin and mouth.
