The Premises:

Nice neighborhood close to a West End tube location. Clean, private, tidy, upstairs flat with shower. Some smell of cigarettes, but not overwhelming.

The Lady:

She is a beautiful young lady and the pictures are accurate. Shapely, smiling and sweet. English is limited, but attitude and outlook is first-rate.

The Story:

I had never "punted" in Britain before, and was (and still am) impressed by the selection of very pretty Eastern European women at attractive (vs. USA) rates. I went with Angels for several reasons and was pleased with the discussion with the dispatcher. Arrangements are easier than the systems in place in America where the laws can vary.

Meeting was on-line and her 3rd storey flat was lived-in, but clean. Short shower and we commenced intimacies. Naomi is more beautiful than to-be-expected, and her sweet and pleasing personality is a lovely surprise.

Relations were everything I hoped for and her oral and manual techniques were excellent and well-appreciated.
