### The Premises:

Place was neat and clean, but quite hot so we turned on the table fan then it was fine. Also, loved the ambiance in the room.

### The Lady:

BEWARE: She is 'smoking' hot but most importantly a lady with the most beautiful face too. What I liked the most is her cute voice. I can listen to her all life. She has very beautiful eyes and oh yeah, cant forget the amazing tattoo on the chest, right in the middle of her perfect -----.

### The Story:

Experience was really amazing. I actually wanted to see her for long time. Last time when I booked (which was my first time experiencing escorting actually) I had booked her but when arrived I was informed she is not available and then was changed to other girl. This was alright but I always had some great feeling about Portia since I seen her profile so I was dying to see her in reality. I was not disappointed at all. This is my first review in the life as well. Anyways, she came and looked confirmable. Gave brilliant experience. I particularly wanted to kiss her more and more because her lips tastes amazing, however, I can understand her quite reservation given that how hard it is for her. Overall, I will definitely see her again but next time I would want to talk with her more as well because I love listening to her. She is beautiful and very very very gorgeous. Love her and thank you so much for your time and efforts and patience to please me. East or West, Portia is the Best. XXX
