The Premises:

A very smart if tiny apartment in Bayswater. Spotless with an excellent shower.

The Lady:

I was in two minds about booking a session with Marina. I am very attracted to the Latin look but the photos looked as if there had been some enhancement, either photographic or surgical. No need for that. Marina is fabulous and just like the photos but still totally natural.

The Story:

Welcomed in the polite and gentile way that seems standard with the London Tantric girls. A brief intro chat and then into the shower. Clothing all tidied up and I assumed the position, face down on the bed. Phase 1 massage was excellent, relaxing but with lots of titllating tickles in appropriate places.

Turn over for Phase 2. At last I could see Marina in all her glory. And touch. She slithered about all over and I was flying.

Phase 3 was of course concentrated on a particular area. Fabulous technique led to an intense completion.
