The Story:

This was my second visit to Leah and well worth it. I'm no stud but Leah is very patient. Started with some nice French Kissing then we undressed each other. Leah then lead me to the bed and I lay down and she gave me OWO which was very good. I then got her to lay down with her legs over the bed she thoughtfully dropped a cushion on the floor for me to kneel on and I started to tease her lovely pussy which was divine. I think she enjoyed it as there were little moans and tensing of muscles. I never am very good at the sex thing and Leah understood that playing with my cock and teasing me with her mouth and hands till I exploded over he breast and shoulder.
