The Premises:

Rella's place is in South Kensington, not far from the station. Easy to find, secure, clean and tidy, with an en suite bathroom.

The Lady:

Her pictures are accurate, although they don't seem to do her as much justice as they should really. They don't capture the dimples in her cheeks when she smiles, and the sparkle in her eye. And they don't get the shapely curves either. She's not a skinny girl if that's what you're after, she's perfectly formed, and well in proportion. Gorgeous in fact. When I arrived she was wearing a short latex type mini dress with a what was basically a net where he boobs were. She looked really hot.

The Story:

Rella is a very highly sexed woman, make no mistake about it. She's passionate and really loves what she's doing. Kisses deep and sexy like a girlfriend. Perfect for a GFE if that's what you're after. She's very playful too, and doesn't take herself too seriously, which is a very refreshing change from some girls. Although she did like looking at herself in the mirror quite a lot (but when you see her, you'll probably think what I did - why wouldn't she look in the mirror!) Showed me a blow up sheep of all things that she bought the other day "for company" she says! I told her I wasn't interested in that LOL!

Her OWO is outstanding to say the very least. It's really quite difficult to describe, but the eye contact, the smiling, the varying technique and varying depth she took it in etc. was all bloody marvellous. I knew there and then that I'd be ending with this.

She was getting really turned on and began playing with herself at the same time, and I really like this. Decided to move onto some sex. I licked her pussy whilst she leaned across to get the necessary equipment etc. She lingered there for a while and enjoyed herself. Asked me if I'd mind of she played with a toy too, whilst we had sex. I didn't mind and she went to work with a mini vibe whilst we had sex in missionary. She came twice like this, kissing really passionately and letting herself go. Moved onto cowgirl, nice and slow and deep, and from behind. She loves it all ways to be honest. Asked her to finish me in her mouth (CIM was negotiated at the beginning for extra £30)

and she switched back to giving me the brilliant OWO skills she began with. Didn't take too long for me to blow my beans directly into her mouth, and she just kept on sucking and smiling. What a woman.

Small talk was all good, she's a very cheerful girl, funny and speaks excellent English. I'd take this one home if I could I'm telling you.
