### The Premises:

### The Lady:

Pretty young lady, but quite a bit bigger than in her pictures

### The Story:

Costa is a nice, welcoming young lady who aims to satisfy. However, let me point out that she appears quite a bit bigger in real life than she does in her agency pictures. I know lots of airbrushing goes on with all of them, but I would say she is BBW rather than curvy. Anyway, I like my ladies with some meat or slim, it doesn't bother me, as long as I'm having a good time.

Costa arrived on time looking nice, had a thick sexy Italian accent - what a turn on. We fooled around for a while, kissing and massaging before she gave me a great OWO and sexy tit wank with her gigantic natural DD boobs. I was so turned on that once I was inside her in missionary I finished pretty quickly. We spent the remaining 30 mins or so chatting and drinking a glass of wine. Costa is good company and I would recommend her but only if you like big natural women.
