The Premises:

Big detached house, 10 min walk from Sutton station, which I took, or easy off street parking.

Nice food and drink provided after the Bukkake.

The Lady:

There were 5/6 girls plus at least one couple.

The 3 that I fucked/facilaized were:

Leyla - a cute, fun sexy blond with a great body. Probably about 35 but cheeky-sexy and pretty. Lovely bum, dressed in stockings and suspenders, nice enhanced boobs.

Zara - Very pretty Brazilian with a stunning body. Must be 36C, natural boons.

Debbie - Great boobs, stockings and suspenders, probably about 40, pretty. Gets on her knees, looks you in the eye and says, "spunk on my face please, come on give it to me"

The Story:

In addition to the girls, there were probably 20 men.

Greedy girls advertises that setup is very relaxed and I have to agree with that 100% everyone was very friendly and polite just waited their turn to get into the action.

Firstly, everyone freshened up in the showers and then sat in the large lounge with a towel around our waists. Debbie then got on her knees and said, "Come on guys, who wants to be the first to cum on my face." The other girls urged us on and Debbie started sucking multiple cocks, including mine.

I had my eye on Leyla who had also got on her knees to suck 2 cocks so I joined her. By now, Debbie had taken at least 5 facials that I saw whilst Leyla was expertly sucking me off and she looked at me asking if I wanted to cum on her face or Leyla's. I chose Leyla who then started to say, "spunk on my face, spunk on my face" - so I did!!

A short break followed for sandwiches, sausage rolls and lemonade/wine or non-alcoholic beer. I

chatted to a few of the other guys who were very pleasant, normal staff - football, golf, wife problems, divorce etc.

Then we went upstairs. Leyla and Debbie went in one room to fuck other guys so I went into the other room and saw beautiful Zara being fucked doggy-style by at least three men who each came into their condom. I waited my turn and then got my cock into her lovely pussy from behind. Fuck! She has the most gorgeous arse and lovely boobs with extremely suckable nipples. This was only 30 minutes or so after cumming on Leyla's face so I found it hard to cum again but I had the pleasure of doggy whilst she was sucking another man's cock, then her riding me cowboy whilst I sucked those lovely, pert nipples.

Towards the end, Leyla and Debbie came into the room. I saw Leyla on her back with her stockinged legs high in the air whilst a guy pounded her and after she'd finished she came over to me and I asked Debbie to join us. "Double blow job? Yes, that would be lovely," she said and they both got on their knees with Leyla sucking my cock and Debbie sucking my balls. Sadly, Debbie had to leave as she was the organiser and had to let everyone know that the party was nearly ending so Leyla carried on. She was determined to make me cum again on her face and she is an excellent cock sucker. I could see the couple fucking in front of me and it was pretty sexy to see his woman shuddering and screaming as she came on his tongue. That helped me to come to the boil as Leyla again said, "give me your spunk" whilst licking her lips with her pierced tongue and looking me in the eye.

When I was ready, I wanked a big spurt across her face as she and Debbie laughed saying, "we love spunk on our faces"

Seriously, it's like being in your own porn film. If my wife had asked me to spunk on her face I'd never have got divorced!
