The Premises:

A really nice apartment in South Kensington. Very easy to find. Clean and tidy (almost too tidy!) comfortable etc.

The Lady:

Arlene looks like her pictures, I'd say that her age is accurate, or perhaps she's a little older. Very beautiful woman with a great natural figure. Speaks great English, loves to chat and make you feel comfortable.

The Story:

Arlene was wearing a lovely black camisole type lingerie dress thins when I arrived, which was quickly removed. Didn't ask me if I wanted a shower, but I'd done this before I arrived anyway. I was only staying in a hotel around the corner. We were both naked on her bed talking and laughing. She's very easy to get on with. Kisses like a girlfriend, nice and passionate. We got on so very well that a lot of time passed talking about very similar interests before we got down to anything at all. I must say that at times it was like torture seeing her sitting there looking all fine! But i was really enjoying her company too and I knew that we were on. Besides, she said to me, "we better get on with the sex soon, or we won't have time," and laughed. Of course I agreed. And I have to say that I was suitably impressed, not least because she didn't clock watch and we ran quite a lot over time.

Her OWO has to be one of the best I've had in ages. It was equally as good as a girl I saw that same afternoon from another agency. I was really on a roll! She really switched up her technique and went deep and wet. Quite perfect actually. Sex began with her on top, and she really got going here. Rode me like crazy. It was a little too fast and furious for me at time, but I kept up (literally!) Great natural boobs in my face during this time. She came like this and we switched to missionary which was just as nice and allowed be really get stuck in. She liked my big cock, even though it shocked her from time to time. Made a nice change from some girls who complain about it! Finished sex with her on her front and taking her from behind. I got a little tired after a while and asked if she's mind finishing me with her mouth again.

She relished this and said she was going to show me just how good she was. I thought she'd already done this at the beginning, but her finale was even better. And the way she leaned forward

and squeezed her tits together for me to see while she jerked me to a finish looking me right in the eye was the best finish I've ever had without doing it in the girls mouth.

A great booking!
