The Premises:

Basement flat , close to Victoria bus station . Very near for me . I can tell the wife I am just putting out the cat , hop on a train , one stop , punt with Apple ,dash back home in time to hear her say , " did you feed him yet ? 2

The Lady:

Very Very pretty lady , fairly tall for me even when out of her heels . Natural boobies , slim , 30 years old , Asian , dressed in black undies , very friendly , perfect English
One for Medium Bang Theory if he still reads these reviews . I know he and all readers would not be disappointed . A great GFE . Has a pussy that smells and tastes like strawberries .

The Story:

The Doors Of Perception

=====

The saying goes " as one door closes another one opens ," but what when two doors open at the same time and they are opposite each other in the Pimlico parlour of HOD ?
That's where i first saw Apple I was coming out from an interview with Millie a few weeks back and Apple opened her door dead opposite , at exactly the same time . I came face to face with a punter . There was confusion , opps sorry , ushered back in to save the face of the punter . When I first clocked how pretty Apple was

" who is that ? " I asked Millie

" that;s Apple " , she replied

I made a note to return to see the 50 reviews ,star of HOD ,that is Apple . That's how things turned out .

On my return Apple greeted me with full on GFE kissing , tongues an' all . Dressed only in some standard M an S bra and pants she looked great . This girl is the real deal , one to fall in love with . i

was so excited I only got to do her in doggy and came quickly while her hand reached back under and her long fingernails trailed across my balls

I wish I had found her sooner , I had a great time , not wanting to leave , she walked me to the door , me smiling , happy as a schoolboy . The main door opened for me and closed and I was on my way up the stairs and onto the street . Def. one to return to and at a great price for central London .
